

2012 Forked River Tuna Club Ad Agreement

The Forked River Tuna Club would like to offer a great opportunity for your business to reach out to the Jersey Shore fishing community. Every year the Club hosts four fishing tournaments from May through November, drawing anglers from LBI to Sandy Hook and distributes 7,000 + tournament books. The tournaments are open to everyone, with special awards to junior anglers and a unique women-only event in July. These events are made possible by the participation of businesses like yours through the purchase of ads and sponsorships in the information books published for each tournament.
